# Warning Signs and What to Do

The Construction Industry Alliance for Suicide Prevention  
(CIASP)

Spanish & English • 8 Minutes

**Learn how to recognize warning signs of suicide and take steps to help someone in need.**

**Participants can take the course directly in MindForge and download a Certificate of Completion to show they've completed the training.**

CIASP's "Warning Signs and What to Do" video focuses on how you can identify early warning signs that someone is at risk for attempting suicide and the steps you can take to help prevent it.
